

ANNUAL CHRISTMAS DINNER AND PROGRAM

Hotel Macdonald 3D Film & Other Projects

*presented by Dylan Reade,
a film maker from Edmonton with nearly 30 years experience.*

Dylan will be showing a short film in 3D and speaking about his process. Dylan combines rarely seen archival material and renderings with stereoscopic 3D imaging to create 3D films that explore Edmonton's history. Dylan's work is a fascinating combination of history and technology that is not to be missed.
