TRACING *Your* FAMILY TREE

What's Your Family Story?

A series of six workshops where instructors will point out the special skills and tools needed to re-search your family history. They will guide you in your research regardless of what level you are at and show you strategies to find the records you need.

Join us for one or more workshop!

TYFT Workshop #1

Beginning Genealogy: Getting Started the Right Way

Saturday, October 12th, 2019 (10:00 am – 3:00 pm)

John Althouse: educator, genealogist, author. This session will include: examining 'home sources'; basic genealogical charts; confirm documentary proof; assess the reliability of information; gather the necessary information for citations; why cite sources; where you can acquire various genealogical charts; how to organize your genealogical materials. There will be a period devoted to questions and answers.

Neal Finn: genealogist and facilitator of the Special Interest Group Computers in Genealogy. He has been researching over 20 years and began by taking the Tracing Your Family Tree beginner course. This session will include three topics: Organizing your paper and digital artefacts, Pros and Cons of various computer genealogy software, and Selected Computer Apps for your Research. There will be a period devoted to questions and answers.

Bring laptop or iPad to work along with instructors.

Registration Deadline: October 4, 2019

Member Fee: \$25

Non-Member Fee: \$50*

* includes one year Edmonton Branch AGS membership and one TYFT course
