SEPT 30TH ~ 10am - 3pm

Edmonton Branch, AGS #162, 14315-118 Ave, Edmonton

ARE YOU BEGINNING A GENEALOGICAL QUEST?

Beginners course for learning how to organize genealogy on both paper & computer. Students will learn how about common genealogy documents, how to evaluate & cite their sources, and how to avoid common pitfalls. Additionally, presentations will be done on a few common genealogy software programs. This is a workshop, and participants can bring their laptops or some of their work (optional), in order to get advice from the teachers.

Fee: \$25/members \$45/non members

Bring a bag lunch. Coffee/Tea will be provided
