## TRACING *Your* FAMILY TREE

### *What's Your Family Story?*

A series of six workshops where instructors will point out the special skills and tools needed to research your family history. They will guide you in your research regardless of what level you are at and show you strategies to find the records you need.

***Join us for one or more workshop!***

### **My Ancestors Came from England, Wales and Ireland**

**Saturday, June 13th (10:00 am – 3:00 pm)**

**Lynn Fogwill, and Colleen Murray, Instructors**

Are you ready to move your family roots "across the pond"? Let our experts help you be successful and avoid pitfalls as you apply your genealogy research skills to the counties in England, Wales, Northern Ireland and the Republic of Ireland. We will discuss what records are held where - at the local, county or national levels - and which are available online. We will consider vital records (births, marriages and deaths), census records, land and tax records, wills and probate records. We will also dip into rich "meat on the bones" sources such as newspapers. This workshop is presented by members of the England/Wales and Irish SIGs and will be hands on in approach. Bring your questions and your laptops and let's explore our English, Welsh and Irish family history." Bring your questions and your laptop or tablet.
