

# Irish Special Interest Group Meeting

**Tuesday, May 11, 2021**

**7:30 pm**

**Topic:**       Rootstech 2021 – Irish Connections

Rootstech is a huge annual genealogy conference, organized by FamilySearch. This year, it was held online, but the lectures are still available to watch for the rest of the year! Our presentation, contributed to by a variety of SIG members, will discuss what Irish sessions are available to watch, what is covered in them, and which you should definitely check out.
